## 8. Terms and conditions of participation

1.) Having received the applications, the Organizer will decide about accepting applications and allocating the exhibition spaces at its sole discretion, taking into account the products and product lines to be exhibited and the public utility services requested. The Organizer shall not be obligated to justify its decisions. In case the number of applications is in excess of the available exhibition capacity, the Organizer reserves the right to prefer the order in which payments are received over the order in which applications are received when adopting its decisions. The invoice made out to the Applicant shall cover the area-based exhibition fee and the fees of the accepted services.

The space allocated by the Organizer to the Exhibitor may not be exchanged and its size may not be extended; furthermore, no exhibition space allocated to an Exhibitor, or any part thereof, may be subleased to any tenant.

2.) The continuous removal of any garbage generated during setting up and dismantling the exhibition displays or tents shall be the responsibility of the Exhibitor.

3.) In case the Exhibitor should fail to occupy the exhibition space allocated by the Organizer by 9.00 o'clock on 4 May, 2017, the Organizer may lease such exhibition space to any other Exhibitor without incurring any obligation to pay any refund or compensation for damages.

4.) Except for public service reports and broadcasting coverage, no advertising materials featuring Exhibitor companies and/or products and/or exhibition events shall be made unless the Organizer's prior consent has been obtained. The emblem and the slogan of the exhibition shall not be used for advertising or promotional purposes by any party except for the on-site exhibition media. Within the entire area of the exhibition showground, no means of advertising may be installed outside the Exhibitor's booth unless the Organizer's prior consent has been obtained.

5.) After the Application Form has been received, the Exhibitor shall pay the participation fee against the invoice made out and submitted by the Organizer. In case the participation fee has not been paid, the Organizer shall deem the application invalid. Exhibitors may occupy their allocated exhibition spaces and booths only after presenting proof (such as a photocopy of the bank transfer statement) that they have fully paid the participation costs. In case the Exhibitor should withdraw from participation, the Organizer is unable to refund any participation costs for which payment has already been made. Any payment obligations additional to the contractual services incurred by the Exhibitor during the exhibition shall be paid by the Exhibitor on site in cash. In case the Exhibitor should fail to settle its payment obligations before the end of the exhibition, the Organizer shall have the right to create a lien on any chattel located within the Exhibitor's booth at the end of the exhibition, provided that it is owned by the Exhibitor.

6.) The Exhibitor shall file any complaint concerning the organization, realization, or operative management of the event not later than before the end of the exhibition; any comment concerning invoicing shall be made in writing not later than before the expiry of the payment deadline of such invoice. The Organizer is unable to consider any complaints received outside the deadlines specified above.

7.) Exhibitors shall transport their products to the venue of the exhibition at their own cost. Loading times are to be checked with the organizers. During the opening hours of the exhibition, no exhibition booth may be closed, and no goods may be covered or left unattended by professionally qualified personnel.

8.) Motor vehicles left within the venue of the exhibition without permit may be towed away at the cost and risk of the owner.

9.) After the exhibition is over, Exhibitors shall hand over their rented exhibition spaces to the Organizer cleaned up, emptied, and in their original condition. Once dismantling has been completed, the Organizer may have any goods and/or installations left on site removed at the cost and risk of the Exhibitor.
